All,
We have a draft Task Order but Ali and I will not finalize until end of this week after a meeting we are hosting on Dec. 6 that will provide insight to us on the scope and content of the analysis. The draft is attached for your files, but again, it is not final.
Happy to discuss or answer any questions.

Hi Mike!

Which task order is this for? There is no documentation attached to the PR so as to indicate that it is a new task order and the PR does not reference an existing task order.

Thank you,
